

We're giving away thousands of dollars for your help!

We love having you as a customer and, quite honestly, wish we had more like you. So instead of just wishing, we're asking you to send us your friends, family and colleagues.

Here's How It Works:

Simply refer any company with 5 or more computers to our office for a FREE Computer Network Assessment (a \$397 value). Once we've completed our initial appointment with your referral, we'll rush you a \$25 gift card as a thank you.

It Gets Better...

When your referral signs a contract with SmartPath Technologies, we'll give YOU \$25 per computer user.

That's right - if your referral signs a contract with SmartPath Technologies and they have 20 computer users, then we'll send you \$500! Not your company. Not your boss. YOU! We will send the gift card in the name of the person who gave us the referral.

Call or email SmartPath Technologies with your referral's name and contact information today!
